

Use of cookies by DigiPlex:

We use cookies and similar technologies which collect and store information as you browse. Cookies are small text files stored on the user's device. Other similar technologies include for example JavaScript, mobile identifiers, and web beacons, etc.

Cookies on our websites can be placed by us and our service providers or by third parties, such as advertising networks, providers of analytics and monitoring services, and social media services. The table below explains the cookies we use and why.

Cookie	Name	Purpose
Cookie preference	cookie_notice_accepted	This cookie is used to remember a user's choice about cookies on DigiPlex.com. Where users have previously indicated a preference, that user's preference will be stored in this cookie.
Universal Analytics (Google)	_ga _gali _gat _gid v	These cookies are used to collect information about how visitors use our website. We use the information to compile reports and to help us improve the website. The cookies collect information in a way that does not directly identify anyone, including the number of visitors to the website and blog, where visitors have come to the website from and the pages they visited.
Nordic or non-Nordic user	geo_nordics	Used to tell the site to display either the Nordic or Hyperscale version of the homepage to the user, depending on their IP address.
Wordpress	wp-settings-1, wp-settings-time-1, wordpress-test-cookie	Default Wordpress cookies.
Pardot	pardot visitor_id<unique string> visitor_id<unique string>-hash	Stores the domain name in hash code as well as a unique visitor ID. Used to collect information on how visitors use the website.

Managing the cookies on our website:

We respect your preferences concerning cookies and you are able to easily manage and disable cookies for our websites. If you do reject the use of cookies, this may impact your user experience and the functionalities of our services. Alternatively, most web browsers allow some control of most cookies through the browser settings.
